## IT'S TAFT

HON. WILLIAM H. TAFT.

New York, Nov. 3.—General election returns received up to midnight show the following results:

William H. Taft is elected president by approximately 298 votes.

Practically no change is indicated in the complexion of the national house of representatives.

The United States senate will retain its present republican majority. Governor Charles E. Hughes has been re-elected in New York state by about 54,000 plurality.

Indiana has gone for Taft. Bryan has apparently carried Nebraska.

Ohio returns are very slow, owing to the immense ballot, but Taft has carried it by a large plurality.

Tammany Majority Cut Down.

Judge Taft may have a majority in the city of New York, the first time the big city has given its vote to a republican presidential candidate.

Mr. Taft probably will receive a greater plurality in New York state than President Roosevelt did four years ago. He has exceeded Mr. Roosevelt's plurality in New Jersey and had a surprisingly big vote in Massachusetts.

The republican plurality fell off heavily in the middle west in a manner thoroughly surprising to the

republican managers.

Cannon Re-Elected to Congress.

Speaker Cannon has been re-elected by his usual majority.

Representative Payne of New York, and Representative Dalzell of Pennsylvania, have been re-elected and the house of representatives will probably continue under its old regime. Mr. Payne will have charge of the new tariff bill in the extra session which Mr. Taft will call immediately after March 4th next.

Missouri has returned to the "solid south" on the presidential ticket and elected Cowherd as its governor.

Pontotoc County Vote.

A light vote was polled in Pontotoc county. The election board did not begin to canvass the returns until too late today to secure full report. The indications are, that the vote on sale of school lands will be about even.

Blackwell and Maxwell gave republican majorities, and Dolburg and Midland gave a socialist majority, and Egypt within four votes of doing so.

The dispensary is defeated by a decisive majority.

Complete returns will be given to-morrow.

### LOVED BROTHER'S WIFE

Detroit, Mich., Nov. 3.—John Kurka, a teamster, today made a dramatic confession of how he killed his half brother, Anthony Schultz, a week ago and then hauled the body in his dump wagon across the city to the spot in the western outskirts where it was found. The confession was made near the spot where the body was found.

The police had dressed Kurka in the clothes he wore the morning of the murder, mounted him on his wagon and had him drive across the city from the Schultz home to the woods, to permit several persons to identify him if possible as the teamster they had seen in the neighborhood last Sunday. After he had finished the grewsome drive and had been identified by several people, Kurka broke down and admitted that he killed his half brother.

He said that Schultz and his wife were quarreling and when he interfered Schultz attacked him. "Then I let him have it with the hatchet," said Kurka. "His wife and I loved each other and we wanted him out of the way. Mrs. Schultz helped me put the body in the dump wagon and I drove it away. I feel better now. I was haunted by Schultz's face ever since I killed him."

### Sorosis Meeting.

On Saturday, Oct. 31, Sorosis held its regular meeting at the home of Mrs. W. S. Thomson.

The attendance was good and the members manifested much interest in the topics for the day. Mrs. Bolan and Mrs. Constant read excellent papers which attested to the careful thought and study they had bestowed on the character portrayed.

The table talk, "Faint heart ne'er wins fair lady," would have given courage to the bashful swain.

Dainty refreshments were served and a pleasant afternoon drew to a close.

With much appreciation of our delightful hostess we adjourned.

Next meeting, Nov. 14, will be with Mrs. Sledge.

### No Warrant Issued.

Senator R. M. Roddie says that no warrant has been issued in Oklahoma City for his arrest on a charge of embezzlement, and he is satisfied that there will not be any.

## DEFEATED DEMOCRACY.

It appears that the defeat of the national democratic ticket is as overwhelming as four years ago, though this is inconceivable.

Even from a non-partisan standpoint, Mr. Bryan is considered the strongest candidate the democracy could have selected. In addition to this, he is one of the ablest, cleanest and most free from fault of any public man in America today.

The cause, then, of democratic defeat must be looked for elsewhere than the nominees, because Mr. Kern, the vice presidential candidate is himself a most excellent man.

The defeat of Mr. Bryan is particularly galling to those states that have so long and unflinching supported the principles of democracy and the nominees. It does seem that such faithfulness and fidelity ought to be rewarded with an occasional victory.

As was feared by the News, the coercion of the employed by the employer, through predictions of stagnation in business and shutting down of mills, factories and shops, together with an immense slush fund to purchase the debauched voter, would, as it has before, result in thwarting the will of the majority of the people.

The next important question is, how long can a republic stand such means to gain an end?

How long will it remain a republic, and if it survives, at what cost of blood and treasure?

Let us still hope that the great liberty-loving people of America will remain true to those underlying principles of free government and yet wrest it from those who seek their own gain to the detriment of the country and most of its citizens.

It will do no good to grieve or carry around a long face. Get up and push your own business and help in all kinds of public improvements. Make Ada the leading commercial center of this section and let it be known as the Ada Beautiful.

The election result need not stop the spirit of progress at Ada—in fact, if the republicans are to be believed, improvements ought to be

accelerated, as it was only necessary for them to win in order that great prosperity should ensue. However, home building and home improvements should continue despite any political influence.

The cement plant, the brick plant, the cotton compress, the cotton seed oil mill, the gins, and some smaller industries in Ada, wanted to be patronized and boosted by home people. Their prosperity will encourage capital to invest in other things here. Ada wants a large bucket brigade.

The sun still shines, God continues to rule and the government survives, though there is cause for an eclipse of the sun, and giver of all good seems to have forsaken the democracy, while the government will be run as heretofore, in the interest of the favored few.

It isn't so difficult to strengthen a weak stomach if one goes at it correctly. And this is true of the heart and kidneys. The old fashioned way of dosing the stomach or stimulating the heart or kidneys is surely wrong! Dr. Shoop's first pointed out this error. "Go to the weak of ailing nerves of those organs," said he. Each inside organ has its controlling or "inside nerve." When these nerves fail then those organs must surely falter. This vital truth is leading druggists everywhere to dispense and recommend Dr. Shoops Resorative. A few days test will surely tell! Sold by G. M. Ramsey. 291mo

## THEATRE TALK NO. 7

AS THE YEARS GO BY AND "THE TWO ORPHANS" PLAYS TO LARGE AND INTERESTED AUDIENCES SEASON AFTER SEASON,

while other plays, good strong plays, too, are born and die in a short time, the question is often asked, why "THE TWO ORPHANS" has outlived thousands of other plays? In a word one might answer because it has all the elements of success which other plays only possess in a degree.

There is scarcely a passion known to humanity that is not shown in its utmost strength, both as cause and effect, in this wonderful play, and withal these fierce human passions are so closely interwoven in the threads of the story that it forms a drama that stands almost unrivalled as regards powerful effect and deepest pathos. In fact, pathos is the keynote struck by a master hand in a way that has drawn the tears of millions of people since its first production. It is doubtful if a story of more pathetic interest has ever been or ever will be written than this tale of two friendless girls

A Story That Will Never Grow Old.

"HAVE YOU EVER THOUGHT OF ESCAPE?"

being left alone in the gay city of Paris, both beautiful and one of them blind; their separation, and the hideous dangers they fall into; the bitter hidden yearning of the Countess for the child torn by cruel fate from her breast; the piteous figure of Pierre; the sad history of Marianne, are all phases of life that touch the tenderest chords of our natures.

WORDS AND FASHIONS, CUSTOMS AND MANNERS MAY CHANGE, but as long as humanity exists our passions can never change, good and evil will battle for supremacy, and just so long a play like "THE TWO ORPHANS" that epitomizes the best and worst of life's history will live, and succeeding generations will applaud its virtue and hiss its vice.

It is Held as a Cherished Memory.

Our patrons tell us it's a pleasure to see such a play and production as this. They couldn't tell us anything that would please us more. THE PLAY WILL BE HERE SOON AND THE MANAGEMENT SAYS "YOUR MONEY'S WORTH OR YOUR MONEY BACK."

## Indigestion

Stomach trouble is but a symptom of, and not a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain condition of the stomach—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular stomach remedy—Dr. Shoop's Restorative. Going directly to the stomach nerve, alone brought this success and gave to Dr. Shoop and his Restorative. With out that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, flatulence and mallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and absolutely recommend.

## IT'S TAFT

HON. WILLIAM H. TAFT.

New York, Nov. 3.—General election returns received up to midnight show the following results:

William H. Taft is elected president by approximately 298 votes.

Practically no change is indicated in the complexion of the national house of representatives.

The United States senate will retain its present republican majority. Governor Charles E. Hughes has been re-elected in New York state by about 54,000 plurality.

Indiana has gone for Taft. Bryan has apparently carried Nebraska.

Ohio returns are very slow, owing to the immense ballot, but Taft has carried it by a large plurality.

Tammany Majority Cut Down.

Judge Taft may have a majority in the city of New York, the first time the big city has given its vote to a republican presidential candidate.

Mr. Taft probably will receive a greater plurality in New York state than President Roosevelt did four years ago. He has exceeded Mr. Midland gave a socialist majority, Roosevelt's plurality in New Jersey and had a surprisingly big vote in Massachusetts.

The republican plurality fell off heavily in the middle west in a manner thoroughly surprising to the morrow.

republican managers.

Cannon Re-Elected to Congress.

Speaker Cannon has been re-elected by his usual majority.

Representative Payne of New York, and Representative Dalzell of Pennsylvania, have been re-elected and the house of representatives will probably continue under its old regime. Mr. Payne will have charge of the new tariff bill in the extra session which Mr. Taft will call immediately after March 4th next.

Missouri has returned to the "solid south" on the presidential ticket and elected Cowherd as its governor.

Pontotoc County Vote.

A light vote was polled in Pontotoc county. The election board did not begin to canvass the returns until too late today to secure full report. The indications are, that the vote on sale of school lands will be about even.

Blackwell and Maxwell gave republican majorities, and Dolburg and Egypt within four votes of doing so.

The dispensary is defeated by a decisive majority.

Complete returns will be given tomorrow thoroughly surprising to the morrow.

### LOVED BROTHER'S WIFE

Detroit, Mich., Nov. 3.—John Kurka, a teamster, today made a dramatic confession of how he killed his half brother, Anthony Schultz, a week ago and then hauled the body in his dump wagon across the city to the spot in the western outskirts where it was found. The confession was made near the spot where the body was found.

The police had dressed Kurka in the clothes he wore the morning of the murder, mounted him on his wagon and had him drive across the city from the Schultz home to the woods, to permit several persons to identify him if possible as the teamster they had seen in the neighborhood last Sunday. After he had finished the gruesome drive and had been identified by several people, Kurka broke down and admitted that he killed his half brother.

He said that Schultz and his wife were quarreling and when he interfered Schultz attacked him. "Then I let him have it with the hatchet," said Kurka. "His wife and I loved each other and we wanted him out of the way. Mrs. Schultz helped me put the body in the dump wagon and I drove it away. I feel better now. I was haunted by Schultz's face ever since I killed him."

### Sorosis Meeting.

On Saturday, Oct. 31, Sorosis held its regular meeting at the home of Mrs. W. S. Thomson.

The attendance was good and the members manifested much interest in the topics for the day. Mrs. Bolen and Mrs. Constant read excellent papers which attested to the careful thought and study they had bestowed on the character portrayed.

The table talk, "Faint heart never wins fair lady," would have given courage to the bashful swain.

Dainty refreshments were served and a pleasant afternoon drew to a close.

With much appreciation of our delightful hostess we adjourned.

Next meeting, Nov. 14, will be with Mrs. Sledge.

### No Warrant Issued.

## DEFEATED DEMOCRACY.

It appears that the defeat of the national democratic ticket is as overwhelming as four years ago, though this is inconceivable.

Even from a non-partisan standpoint, Mr. Bryan is considered the strongest candidate the democracy could have selected. In addition to this, he is one of the ablest, cleanest and most free from fault of any public man in America today.

The cause, then, of democratic defeat must be looked for elsewhere than the nominees, because Mr. Kern, the vice presidential candidate is himself a most excellent man.

The defeat of Mr. Bryan is particularly galling to those states that have so long and unflinching supported the principles of democracy and the nominees. It does seem that such faithfulness and fidelity ought to be rewarded with an occasional victory.

As was feared by the News, the coercion of the employed by the employer, through predictions of stagnation in business and shutting down of mills, factories and shops, together with an immense slush fund to purchase the debauched voter, would, as it has before, result in thwarting the will of the majority of the people.

The next important question is, how long can a republic stand such means to gain an end?

How long will it remain a republic, and if it survives, at what cost of blood and treasure?

Let us still hope that the great liberty-loving people of America will remain true to those underlying principles of free government and yet wrest it from those who seek their own gain to the detriment of the country and most of its citizens.

It will do no good to grieve or carry around a long face. Get up and push your own business and help in all kinds of public improvements. Make Ada the leading commercial center of this section and let it be known as the Ada Beautiful.

The election result need not stop the spirit of progress at Ada—in fact, if the republicans are to be believed, improvements ought to be

accelerated, as it was only necessary for them to win in order that great prosperity should ensue. However, home building and home improvements should continue despite any political influence.

The cement plant, the brick plant, the cotton compress, the cotton seed oil mill, the gins, and some smaller industries in Ada, wanted to be patronized and boosted by home people. Their prosperity will encourage capital to invest in other things here. Ada wants a large bucket brigade.

The sun still shines, God continues to rule and the government survives, though there is cause for an eclipse of the sun, and giver of all good seems to have forsaken the democracy, while the government will be run as heretofore, in the interest of the favored few.

It isn't so difficult to strengthen a weak stomach if one goes at it correctly. And this is true of the heart and kidneys. The old fashioned way of dosing the stomach or stimulating the heart or kidneys is surely wrong! Dr. Shoop's first pointed out this error. "Go to the weak of alling nerves of those organs," said he. Each inside organ has its controlling or "inside nerve." When these nerves fail then those organs must surely falter. This vital truth is leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. A few days test will surely tell! Sold by G. M. Ramsey. 291mo

## THEATRE TALK NO. 7

AS THE YEARS GO BY AND "THE TWO ORPHANS" PLAYS TO LARGE AND INTERESTED AUDIENCES SEASON AFTER SEASON, while other plays, good strong plays, too, are born and die in a short time, the question is often asked, why "THE TWO ORPHANS" has outlived thousands of other plays? In a word one might answer because it has all the elements of success which other plays only possess in a degree.

There is scarcely a passion known to humanity that is not shown in its utmost strength, both as cause and effect, in this wonderful play, and withal these fierce human passions are so closely interwoven in the threads of the story that it forms a drama that stands almost unrivalled as regards powerful effect and deepest pathos. In fact, pathos is the keynote struck by a master hand in a way that has drawn the tears of millions of people since its first production. It is doubtful if a story of more pathetic interest has ever been or ever will be written than this tale of two friendless girls.

A Story That Will Never Grow Old.

"HAVE YOU EVER THOUGHT OF ESCAPE?"

being left alone in the gay city of Paris, both beautiful and one of them blind; their separation, and the hideous dangers they fall into; the bitter hidden yearning of the Countess for the child torn by cruel fate from her breast; the piteous figure of Pierre; the sad history of Marianne, are all phases of life that touch the tenderest chords of our natures.

WORDS AND FASHIONS, CUSTOMS AND MANNERS MAY CHANGE, but as long as humanity exists our passions can never change, good and evil will battle for supremacy, and just so long a play like "THE TWO ORPHANS" that epitomizes the best and worst of life's history will live, and succeeding generations will applaud its virtue and hiss its vice. FOR THE STRENGTH OF THIS PLAY OF PLAYS IS IN ITS TRUE HEART INTEREST.

It is Held as a Cherished Memory.

Our patrons tell us it's a pleasure to see such a play and production as this. They couldn't tell us anything that would please us more. THE PLAY WILL BE HERE SOON AND THE MANAGEMENT SAYS "YOUR MONEY'S WORTH OR YOUR MONEY BACK."

## IT'S TAFT

HON. WILLIAM H. TAFT.

New York, Nov. 3.—General election returns received up to midnight show the following results:

William H. Taft is elected president by approximately 298 votes.

Practically no change is indicated in the complexion of the national house of representatives.

The United States senate will retain its present republican majority. Governor Charles E. Hughes has been re-elected in New York state by about 54,000 plurality.

Indiana has gone for Taft. Bryan has apparently carried Nebraska.

Ohio returns are very slow, owing to the immense ballot, but Taft has carried it by a large plurality.

Tammany Majority Cut Down.

Judge Taft may have a majority in the city of New York, the first time the big city has given its vote to a republican presidential candidate.

Mr. Taft probably will receive a greater plurality in New York state than President Roosevelt did four years ago. He has exceeded Mr. Roosevelt's plurality in New Jersey and had a surprisingly big vote in Massachusetts.

The republican plurality fell off decisively, heavily in the middle west in a manner thoroughly surprising to the morrow.

republican managers.

Cannon Re-Elected to Congress.

Speaker Cannon has been re-elected by his usual majority.

Representative Payne of New York, and Representative Dalzell of Pennsylvania, have been re-elected and the house of representatives will probably continue under its old regime. Mr. Payne will have charge of the new tariff bill in the extra session which Mr. Taft will call immediately after March 4th next.

Missouri has returned to the "solid south" on the presidential ticket and elected Cowherd as its governor.

Pontotoc County Vote.

A tight vote was polled in Pontotoc county. The election board did not begin to canvass the returns until too late today to secure full report. The indications are, that the vote on sale of school lands will be about even.

Blackwell and Maxwell gave republican majorities, and Dolburg and Midland gave a socialist majority, and Egypt within four votes of doing so.

The dispensary is defeated by a

### LOVED BROTHER'S WIFE

Detroit, Mich., Nov. 3.—John Kurka, a teamster, today made a dramatic confession of how he killed his half brother, Anthony Schultz, a week ago and then hauled the body in his dump wagon across the city to the spot in the western outskirts where it was found. The confession was made near the spot where the body was found.

The police had dressed Kurka in the clothes he wore the morning of the murder, mounted him on his wagon and had him drive across the city from the Schultz home to the woods, to permit several persons to identify him if possible as the teamster they had seen in the neighborhood last Sunday. After he had finished the gruesome drive and had been identified by several people, Kurka broke down and admitted that he killed his half brother.

He said that Schultz and his wife were quarreling and when he interfered Schultz attacked him. "Then I let him have it with the hatchet," said Kurka. "His wife and I loved each other and we wanted him out of the way. Mrs. Schultz helped me put the body in the dump wagon and I drove it away. I feel better now. I was haunted by Schultz's face ever since I killed him."

### Sorosis Meeting.

On Saturday, Oct. 31, Sorosis held its regular meeting at the home of Mrs. W. S. Thomson.

The attendance was good and the members manifested much interest in the topics for the day. Mrs. Bolen and Mrs. Constant read excellent papers which attested to the careful thought and study they had bestowed on the character portrayed.

The table talk, "Faint heart never wins fair lady," would have given courage to the bashful swain.

Dainty refreshments were served and a pleasant afternoon drew to a close.

With much appreciation of our delightful hostess we adjourned.

Next meeting, Nov. 14, will be with Mrs. Sledge.

### No Warrant Issued.

Senator R. M. Roddie says that no warrant has been issued in Oklahoma City for his arrest on a charge of embezzlement, and he is satisfied that there will not be any.

## DEFEATED DEMOCRACY.

It appears that the defeat of the national democratic ticket is as overwhelming as four years ago, though this is inconceivable.

Even from a non-partisan standpoint, Mr. Bryan is considered the strongest candidate the democracy could have selected. In addition to this, he is one of the ablest, cleanest and most free from fault of any public man in America today.

The cause, then, of democratic defeat must be looked for elsewhere than the nominees, because Mr. Kern, the vice presidential candidate is himself a most excellent man.

The defeat of Mr. Bryan is particularly galling to those states that have so long and unfaltering supported the principles of democracy and the nominees. It does seem that such faithfulness and fidelity ought to be rewarded with an occasional victory

As was feared by the News, the coercion of the employed by the employer, through predictions of stagnation in business and shutting down of mills, factories and shops, together with an immense slush fund to purchase the debauched voter, would, as it has before, result in thwarting the will of the majority of the people.

The next important question is, how long can a republic stand such means to gain an end?

How long will it remain a republic, and if it survives, at what cost of blood and treasure?

Let us still hope that the great liberty-loving people of America will remain true to those underlying principles of free government and yet wrest it from those who seek their own gain to the detriment of the country and most of its citizens.

It will do no good to grieve or carry around a long face. Get up and push your own business and help in all kinds of public improvements. Make Ada the leading commercial center of this section and let it be known as the Ada Beautiful.

The election result need not stop the spirit of progress at Ada—in fact, if the republicans are to be believed, improvements ought to be

accelerated, as it was only necessary for them to win in order that great prosperity should ensue. However, home building and home improvements should continue despite any political influence.

The cement plant, the brick plant, the cotton compress, the cotton seed oil mill, the gins, and some smaller industries in Ada, wanted to be patronized and boosted by home people. Their prosperity will encourage capital to invest in other things here. Ada wants a large bucket brigade.

The sun still shines, God continues to rule and the government survives, though there is cause for an eclipse of the sun, and giver of all good seems to have forsaken the democracy, while the government will be run as heretofore, in the interest of the favored few.

It isn't so difficult to strengthen a weak stomach if one goes at it correctly. And this is true of the heart and kidneys. The old fashioned way of dosing the stomach or stimulating the heart or kidneys is surely wrong! Dr. Shoop's first pointed out this error. "Go to the weak of ailing nerves of those organs," said he. Each inside organ has its controlling or "inside nerve." When these nerves fail then those organs must surely falter. This vital truth is leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. A few days test will surely tell! Sold by G. M. Ramsey. 291mo

## THEATRE TALK NO. 7

AS THE YEARS GO BY AND "THE TWO ORPHANS" PLAYS TO LARGE AND INTERESTED AUDIENCES SEASON AFTER SEASON,

**A Story That Will Never Grow Old.**

while other plays, good strong plays, too, are born and die in a short time, the question is often asked, why "THE TWO ORPHANS" has outlived thousands of other plays? In a word one might answer because it has all the elements of success which other plays only possess in a degree.

There is scarcely a passion known to humanity that is not shown in its utmost strength, both as cause and effect, in this wonderful play, and withal these fierce human passions are so closely interwoven in the threads of the story that it forms a drama that stands almost unrivalled as regards powerful effect and deepest pathos. In fact, pathos is the keynote struck by a master hand in a way that has drawn the tears of millions of people since its first production. It is doubtful if a story of more pathetic interest has ever been or ever will be written than this tale of two friendless girls

"HAVE YOU EVER THOUGHT OF ESCAPE?"

being left alone in the gay city of Paris, both beautiful and one of them blind; their separation, and the hideous dangers they fall into; the bitter hidden yearning of the Countess for the child torn by cruel fate from her breast; the piteous figure of Pierre; the sad history of Marianne, are all phases of life that touch the tenderest chords of our natures.

WORDS AND FASHIONS, CUSTOMS AND MANNERS MAY CHANGE, but as long as humanity exists our passions can never change, good and evil will battle for supremacy, and just so long a play like "THE TWO ORPHANS" that epitomizes the best and worst of life's history will live, and succeeding generations will applaud its virtue and hiss its vice, FOR THE STRENGTH OF THIS PLAY OF PLAYS IS IN ITS TRUE HEART INTEREST.

**It is Held as a Cherished Memory.**

Our patrons tell us it's a pleasure to see such a play, and production as this. They couldn't tell us anything that would please us more. THE PLAY WILL BE HERE SOON AND THE MANAGEMENT SAYS "YOUR MONEY'S WORTH OR YOUR MONEY BACK."
